## Men's Chorus:

- Black slacks, black socks, black dress shoes, long-sleeved white button-up dress shirt, MRJH tie (supplied by the school, no purchase needed). Boys will keep their tie at home and be responsible to wear it to the performance. Boys are responsible to wear the tie, clean the tie if needed, and return it at the end of the year in the same condition. If not, they will be charged at fee at the end of the year.

## Bella Voce:

- Black concert gown, black nylons or knee-highs, black close-toed dress shoes (high heels NOT recommended), hair pinned back out of face (not just tucked behind ears), red flower in hair.  
**New Dresses:** Concert gown/ hair piece rental will total approximately \$74.00 for a new dress, although this amount could fluctuate. We will inform students and parents of the exact amount within the first few days of class, and at the “dress exchange”. Red flower rental fee is \$4.00 and every girl is required to purchase one whether their dress is new or used. (w/ exception to fee wavers). Students are then responsible to maintain the condition of the flower and return it at the end of the year or they will be responsible for an additional fee at the end of the year. They must wear the flower to each performance. Students are then responsible for hemming the dress to meet the required standard. The dress is then forever to keep!!  
**Used dresses:** They are to be acquired and purchased on your own. The buyer is responsible for paying the previous owner, not Mountain Ridge. Even if you purchase a used dress, you are still responsible for the \$4.00 hair-piece rental fee and hemming the gown to the required length. Rental options are also available; please talk with Mrs. Drake and the financial secretary for more details.
- Dresses need to be hemmed 1 inch from the ground WITH dress shoes on. A well-done hem-line really makes a difference so please be careful.
